

CHANGE OF DAY FOR FRIDAY SESSIONS

Play and Snack With Us!

Join us for Keiki Play Morning

A Parent-Child Mobile Outreach Program
Facilitated by The Institute for Family Enrichment

What is Keiki Play Morning?

Keiki Play Morning is a free community-based program provided by contract through the Department of Health, Maternal and Child Health Branch. Keiki Play Morning encourages positive parent-child interactions and relationships by providing a comfortable learning environment that focuses on nurturing parenting education. Keiki Play Morning also conducts age-appropriate assessments that provide children and their parents with suitable referrals as needed for health, nutrition, education, psychosocial, and mental health.

The goal of Keiki Play Morning is to enrich, encourage and broaden parent-child interactions through the dynamics of play for children birth to 5 years of age as well as support and strengthen families through positive, nurturing parenting approaches.

CAREGIVERS WILL LEARN ABOUT:

- ♥ Places to go and things to do with their children.
- ♥ Where to find community resources, social support, and social services.
- ♥ Ways to practice and apply healthy nurturing parenting techniques.
- ♥ The importance of play in a child's growth and development, both emotionally and physically.
- ♥ Stress and anger management as well as everyday coping skills.

Join us.....
